

# Tile Insert DRAIN

**Architecturally Designed Seamless Drainage for all Environments.**

The Tile Insert (Ti) drain is designed to blend seamlessly with tiled floors. We offer premium and standard variations, both in 316 marine grade stainless steel.

Modular kits, Made-to-Lengths and Fixed Lengths units are available in 65mm and 100mm widths, in a variety of depths between 23mm and 42mm, suitable for tile thicknesses of up to 25mm.

The Ti is also available for Square Floor Wastes, Shower Screen support and Threshold Drains.

The TiX is an ultra-minimal single slot 100mm wide Tile Insert Drain.
