Made to required length.

## Stainless steel linear drainage designed for vinyl floor installations.

Stormtech's Vinyl Clamp range is an innovative linear drainage system designed for vinyl floor environments such as Hospitals, Aged Care, Commercial Kitchens and Schools.

Manufactured in Australia, from marine grade stainless steel, Stormtech's Vinyl Clamp drainage features a wedge wire style grate. The unique, durable design mechanically clamps to the vinyl, and angled channel walls increase the life of flooring by reducing vinyl stress.

Choose our Made-to-Length units or talk to us about custom specifications to suit your requirements.

### VC100

Unique screw down clamp secures the vinyl floor in the tray.
